

St. Patrick's NS Bruree

Monthly School Assembly 01/12/2023

Welcome to our Assembly

Hail Mary

Hail Mary, full of grace.

The Lord is with thee.

Blessed art thou amongst women, and blessed
is the fruit of thy womb, Jesus.

Holy Mary, Mother of God, pray for us
sinners, now and at the hour of our death,

Amen.

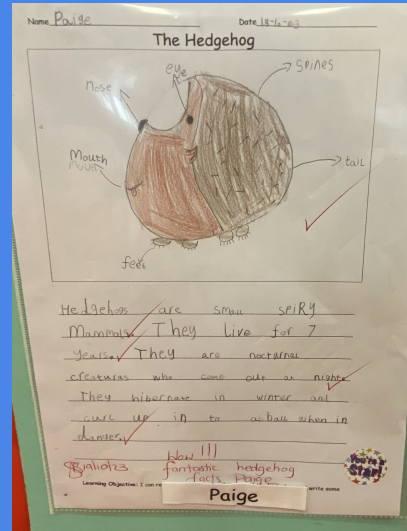

Junior Infants

Our theme for November was 'The doctor'. We had a doctor office in our classroom. We learned lots of new interesting language about the doctor and hospital. These are some pictures of us during our play time.

Senior Infants

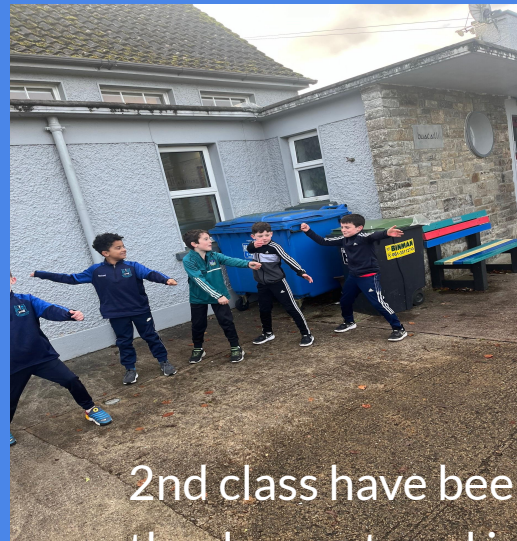

We have been learning about 'The Hedgehog' in Senior Infants. We used this theme as inspiration for our Science, English and Art lessons. We have a giant 3D mammy hedgehog on display in our classroom. She is hibernating with her babies there this month. We made our baby hedgehogs out of paper plates. We also wrote some facts about our hedgehogs which are displayed on our 'WOW Wall'.

First Class

As part of Science Week, our class carried out an experiment involving a balloon and a whiteboard marker. Firstly, we coloured the fingerprint area of our index finger with the marker and made a print on the balloon. Then we inflated the balloon and this enlarged our fingerprint.

Second Class

2nd class have been enjoying the dance strand in P.E. - they have created their own dances and also learned "Shoe the Donkey" and "La Vinca".

Third Class

Third Class really enjoyed Science Week. Our favourite experiment was Creating Rainbows in the classroom using both a torch and natural light (the sun). We even helped Frances to find treasure at the end of the rainbow!!!

We completed the week with a super Science Quiz.

Fourth/Fifth Class

4th/ 5th class are currently doing literacy circles. We have a summariser, artful artist, story connector, vocabulary finder, discussion director and a passage finder. 15 mins at each exercise. Reading/completing activities and finally discussions

Fifth/Sixth Class

The dance strand being practiced in 5th and 6th class. We are learning 'An Dreolín' and working through some fun dance challenges on the yard.

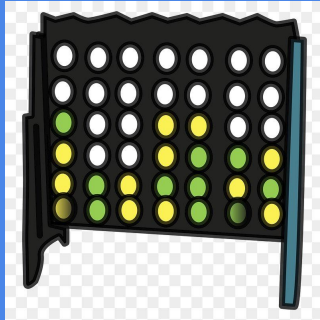

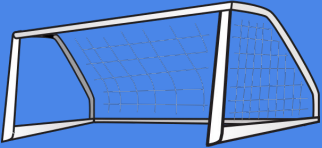

Green Flag Committee – Robyn

1. Spot check completed.
2. Questionnaire to be carried out.
3. Light Monitors to be appointed.
4. Litter-pick rota has started in 6th class.
5. Keep up the waste recycling and the tidy classrooms.
6. Don't forget to close the doors to keep in the heat!

Pupil Council

- Bake Sale in February.

- We hope to buy soccer goals, Giant Jenga and an Outdoor Connect Four.

Tidiest Classroom Award

And the winner is

.....

Senior Infants
